Looking for a Driver License or Photo Center, Online Messenger Service Center, Third Party CDL Tester or Temporary Authority Agent in your area? You've come to the right place! Search from your zip code and see the approximate driving distance, or search by selecting a county. Just follow the three easy steps below.

NOTE: Please check hours of operation before visiting any Driver License or Photo Center. Also, for a listing of Driver License and Photo Center holiday closings, please [click here](#). PennDOT does not publish individual Driver License and Photo Center telephone numbers. If you need assistance pertaining to a particular PennDOT Driver License or Photo Center, our Driver and Vehicle Services Customer Call Center staff will gladly assist you. Please contact [Driver and Vehicle Services](#) for assistance.

NOTE: Please contact Online Messengers directly to verify their hours of operation. Online Messengers charge a service fee in addition to PennDOT's standard driver and vehicle services fees. Online Messenger service fees are set by each individual messenger service and may vary. *There is no additional fee for customers who are having **only** their photo taken at a photo center located at an Online Messenger. Not all Online Messenger Service Centers have a Photo Center in their facility.*

IMPORTANT - If you want to have your photo taken for your Driver License or Photo Identification Card, you must visit a Photo Center with your camera card. To find a Photo Center, below at Step 2, in the Driver's License/Photo ID Services area, be sure to check the block for "Photo for your Driver's License/ID Card (must bring your camera card)".

PennDOT Driver License Centers only accept payment by check or money order. No cash or credit cards are accepted.
